

Hovingham League 2024 Report Week 3

- * Malton A strengthened their grip at the top of Division 1 with a strong performance against Coxington who were making their first appearance.
- * Kirkbymoorside A held their nerve to record their second 41-40 in three matches, this time against Raskelf A. They sit in second place, separated from the leader only on games difference – more like the Kirkby teams of old!
- * Current champions Alne A finally got their game together and shot off the bottom of the table with the best win of the night, at the expense of Sheriff Hutton.
- * In Division 2, Pickering A kept an unbeaten record, with a comfortable win against Raskelf B.
- * Mark Stephenson points out that Raskelf B might get a special award for the most miles travelled in a season. They play away at Helmsley, Malton (twice), Pickering and Ryedale.
- * Malton B also remain unbeaten in Division 2 but only by the skin of their teeth, beating Ryedale A in the second 41-40 win of the night.
- * Crayke remain unbeaten at the top of Division 3 with a strong win over Pickering B.
- * Kirkby B got their second win on the trot and are second.
- * Alne B set out on what is the longest journey in the league (Alne/Ryedale) and got their first win of the season. The fact that their captain was absent maybe tells me something!
- * Top scorers of the week were Kirkby B's Helen/Lee with 24.

The points table and a copy of this report are also both to be found on the website. Please circulate these to your players to keep them interested and involved.
